No problem! Yes, you are correct – pre-meet on 8/23 and meet with CRW on 8/24. Tom Rowlett is traveling on the 24th so we need to start as early as possible—so I suggested 8am-11am on the 24th. Fred is confirming the time slot CRW; once we're good on that, I will send a calendar invitation around.

No word from the court on the MTI.

Thanks,
Devon

Hi Devon,

Sorry I missed the 2 pm call. I also think Pam was on another case call. I called in, but my 1 pm just would not end, so ended up on the phone listening my other call and missed our call. Make sure I get this correct, we will have a pre call Aug 23 and a call with CRW on August 24. Have you heard anything from the court about the MTI?

Is there anything else I am missing

One follow-up/correction: I do not think we'll need 3 hours for our pre-meet on 8/23. I will instead send a calendar invitation for 1-3pm that day.

Subject: CRW - No Call Tomorrow

Importance: High

Hi all,

I just got off the phone with Fred. CRW does not have questions regarding the redline to discuss during the Q&A Session, **so we are going to cancel tomorrow's call.**

In the meantime, CRW is working to pull together the materials/updates that we requested in the CD Mod as well as develop their response to our proposed changes. I told Fred that CRW should flag areas where they have concerns or disagreements so we can focus on those issues during our meeting next month.

As for scheduling, Fred is going to confirm that his team can meet on 8/24 from 8am-11am Eastern. I will send a calendar invitation as soon as I hear back. And as we discussed during this afternoon's call, let's plan to have an internal Plaintiffs pre-meet on 8/23 from 12-3pm Eastern. I will send that invitation in a second.

Please let me know if you have any questions.

Thanks,
Devon
